Sample Book

md2pdf

Introduction

Welcome to the sample V3 book.

Why V3

V3 adds layout controls, book mode, and cross-references like layout-section.

Layout Controls

This section demonstrates manual page breaks and section breaks.

Columns

Multi-column layouts are profile-driven in V3.

Cross References

Refer back to layout-section for layout details.

Appendices

Appendix A: Glossary

- Layout engine: pagination + section templates
- Profile: print size + layout defaults
